New Business:

We discussed taking Literature into Doctors' Offices. This being a new project we will be seeking guidance from Region and from our predecessors for the best way to conduct this without violating our Traditions.

We have assigned Aaron to lead this project with other members of the committee collecting information on which Doctors' Offices are in the South Hills. More discussion will happen at the next committee meeting.

We decided to have a Presentation Workshop on 1 of 2 dates (Dec. 16th or Jan. 13th). I will be contacting the Region to ask which date is better for them. Our committee cannot conduct the workshop so we need the Region to do it.

Closed meeting at 4:50PM with Serenity Prayer
