South Hills Round Table

Ryan M is continuing to make a list made a list of Community Leaders for a South Hills NA Round Table. We discussed writing up business packets for the people on our contact list. We voted to hold the Round Table meeting in March. We are trying to get in contact with the Outreach Center and see they have any dates and times available for that month.

Bus/Billboard

Mike M gathered information for putting NA business cards on the buses. The prices were expensive and it was suggested we looked into putting it on the T instead. The process for posting a business card on a billboard has an extensive application process, and we decided not to pursue it at this time. We voted to focus solely on the T. Mike M is looking into the exact expense needed so we can take it to Area next month.

Old Business:

None.

New Business:

Greg D is reaching out to a contact at Brentwood High School to try and set up a presentation for the student.

Ryan M is reaching out to Harrison Middle School for an upcoming event, to set up a table with literature and be available to answer any question.

South Pittsburgh Coalition is holding an event in Brookline in December. We voted that Ryan M will contact the event coordinator for the "Resource Fair" and get more information about the event.
