

## **RCM Report March 6<sup>th</sup> 2016**

Hello everyone! Ben and myself attended regional committee meeting held on February 13<sup>th</sup>. Eight out of twenty-one areas were in attendance. John M. of the North East Area was elected into the Board of Directors. Updated meeting lists are back from the printer and are now available!

Ben and I were also present at MARLCNA (Mid Atlantic Regional Learning Conference of NA) February 5<sup>th</sup> through the 7<sup>th</sup>, where we were able to participate in discussions with world board members and other members of the fellowship regarding the CAR (Conference Agenda Report). The CAR contains reports, proposals, and motions from the world board as well as proposals and motions from regions that they are asking the fellowship to consider and on which to form a fellowship wide group conscience. Ben and I will be holding a CAR/CAT workshop in order to provide as much information to groups and individual members as possible. It will be March 19<sup>th</sup>. 12PM will be food and the workshop will begin at 12:30PM. It will held at the church that Tuesday Noon with Vigilance meets. Saint Peter's Episcopal Church 4048 Brownsville Road Pittsburgh, PA 15227. We encourage all GSR's to attend to better serve their home groups. Any member may attend to better understand all that is within the CAR/CAT motions. We hope to have a big turn out because there is a lot of information that needs to be explained. This workshop is the place and time to ask all questions. We will also be able to attend any group conscience, please contact us as soon as you know that you will need us to be there. Our contact information is at the end of this report.

Also, the Tri-State Regional Assembly is taking place on March 26<sup>th</sup> 2016 from 10am-4pm in the school building behind St. Stephens Church. The address is 134 East Elizabeth Street in Pittsburgh, 15207. A breakfast of muffins, pastries, and donuts will be served at 10am and a lunch of Ham BBQ and sloppy joes will be served at Noon. Any member can attend, and it is recommended that GSRs, RCMs, and the Regional Delegates attend. Not only will you get to enjoy great food, but you will be better serving the fellowship by developing a collective group conscience concerning issues affecting NA as a whole. I hope to see as many of you there as possible!

Attached is the tally sheet for all of the CAR/CAT motions. We will need this back at the next Area Service Meeting in April.
