Started at 7:10pm with serenity prayer, 12 traditions, and 12 concepts

Old Business:

- Speaker Jam went smooth, disappointing attendance (should have thought about the fact that it was the day before Easter), too many speakers, too long of an event, not a great venue, food was really good, maybe eat earlier
- \$91.60 in contributions, spent \$260 on food, \$20 on the hall = \$190 (rough estimate, treasurer is absent)

New Business:

- June 16th (Father's Day) is our next event at Spreading Oak in South Park
- 2-6pm, male and female speaker at 3pm (30 minutes each, raising a family in recovery topic), picnic food, fun and fellowship to follow (corn hole, volleyball, etc)
- "Families in Recovery" flyers
- Megan B will find the female speaker and Josh L will find the male speaker
- \$300 budget approved already

Closed at 7:45pm with serenity prayer

Next meeting is June 6th at 7pm
